

School open day guide

Open days provide a valuable opportunity for parents to tour facilities, meet teachers and learn about the curriculum of prospective schools. To help parents, *Australian Catholics* is offering schools the chance to advertise their open days. Parents interested in attending open days should contact the schools to check the times they open as these vary.

We run a list of open days in each issue of *Australian Catholics*. Primary schools are also welcome to advertise. Any schools wanting to advertise in our next issue should contact advertise@australiancatholics.com.au to arrange an entry.
